

The Eastern Region Helicopter Council's Proposed Summer 2016 Flight Route

The new plan calls for flight paths to cross three points on the North Fork. “The problem is the overwhelming majority of the traffic now comes in over Mattituck Inlet. They’re looking to establish three routes. One over Mattituck, one over Peconic and one over Orient. They’re not solving Southold’s problem, they’re just spreading it out,” Supervisor Scott Russell said.

Please contact the following elected officials to ask them to abandon the North Shore Route.

Congressman Lee Zeldin

Speak to Kevin Dowling, Legislative Assistant 289-1097

Senator Charles E. Schumer

Speak to Kyle Strober, Long Island Regional Director 753-0978
