This training meets New York State Department of Health requirements and includes recognition of opioid overdose, administration of intranasal NARCAN, and steps to take until EMS arrives. Participants will receive a certificate of completion and an emergency resuscitation kit that includes NARCAN. This session will also cover the dangers associated with accidental exposure to fentanyl and its analogs in its powdered form and steps to take to protect yourself when caring for an overdose patient.

This program has been made possible with the support of:

Suffolk County Department of Health Services

New York State Assemblyman Anthony H. Palumbo

Southold Town Supervisor Scott A. Russell
