TASKER PARK PAVILION

View of Tasker Park facing east

View of Tasker Park facing north

Orlando Model (Not Drawn to Scale)

ORLANDO MODEL

Low Maintenance

- Powder coated steel columns & roofing

Cost-effective Design

- Gives us the greatest covered sq ft for the cost

Can be Customized

- Cupola (optional)- keep with the rural feel of the park with minimal expense

Optional: Cupola (\$1,536)

NOT FOR CONSTRUCTION

SAMPLE: NOT EXACT DIMENSIONS

SAMPLE: Orlando Model with Cupola (example is longer than proposed project)

Projected Expenses

Orlando 20 x 45' Pavilion (Kit & Stamped Engineering Report)	\$30,606
Cement Pad (Grading & Installation of Pad)	<i>(high end):</i> \$30,000
Installation (Completed In-House by Dept of Public Works)	Free
<i>Option: Cupola</i>	(\$1,536)

Total Cost of Project	\$ <u>60,606</u> /	<u>62,142</u>
	Without Cupola /	With Cupola

DONATION RECEIVED: \$50,000

Est. FINAL COST TO TOWN: <i>(high end)</i>	\$ <u>10,606</u> /	<u>12,142</u>
	Without Cupola /	With Cupola

Once Plan Approved

- Order Kit (approx. 12 week lead)
- Mark Out
- Clear topsoil & install concrete work pad (Contracted) – allowing time to set
- Receive & Install Orlando Pavilion Kit

PROJECTED COMPLETION DATE: July 1, 2021

ADA GRANT PROPOSAL 2021

Provide ADA Access to Tasker Park

**Tasker Park ADA Playground
Completed Spring 2020**

Visitors to the ADA playground and future pavilion need to park their vehicles among the trees bordering Carroll Ave. The route from their vehicles to the park entrance is very difficult to navigate and even more so for someone with a physical disability.

There is a significant amount of damage to these trees already. Those that have been removed have resulted in stumps further impeding access to the park.

2021 ADA Grant Proposal:

To remove some trees along Carroll Ave and install a parking pad, providing ALL park visitors safe access to Tasker Park and the new ADA Playground.

Who Would Benefit?

Community members using –

ADA Playground

Pavilion (future)

Ballfield Users

Tennis Players

Everyone Using Tasker Park

Scope of Project

- Do a mark out
- Remove trees and roots along roadway, leaving a green space along fence line
- Clear 8" below grade to allow for RCA and asphalt to be laid
- Install a catch basin and leaching pools to provide drainage for the new asphalt parking area
- Lay asphalt
- Line spaces allotting for handicap parking at park entrance
- Plant foliage along fence: Include plants that increase sensory experience for individuals with disabilities and also beautify the park

Amount of funding that we are looking to request in our 2021 ADA Grant Proposal: \$130,000

Result: Safe access to Tasker Park for ALL community members
