## SOUTHOLD TOWN TREE COMMITTEE

*Beautifying our community since 1987*

## Southold Town Tree Committee

Established in 1987, the Southold Tree Committee promotes and manages healthy, safe and effective trees along streets and on public grounds to preserve and enhance the beauty of the environment for the benefit of its citizens and future generations. The Committee also works within the community to increase awareness of the importance of trees, and tree care.

*The Tree Committee is an officially designated committee of the Southold Town government.*

- More than 750 trees planted
- 225 memorial trees dedicated
- Thousands of seedlings distributed
- 15 years of Arbor Day awareness and education in local schools
- Over 22 years of volunteer involvement
- Beautification of civic, community and residential spaces

## REQUEST A TREE REPLACE A TREE

The Tree Committee takes requests for new street tree plantings, as well as replacement of damaged or removed trees.

The Tree Committee relies heavily on donations from its resident and business partners.

Although a donation is not required, listed below are ideas of how you can help us beautify our community for years to come.

- \$600—a commemorative tree & bronze plaque in honor or memory of a friend, loved one, or as a gift (see back panel)
- \$350—a tree of your choice from street tree list on next scheduled planting
- \$200—a tree on the next scheduled planting (every fall)
- A tree when available
