

# **PUBLIC NOTICE**

## **TOWN OF SOUTHOLD**

# **Spring Leaf & Brush Cleanup Program**

**Starting Date: Monday April 19th, 2021**

**Starting in Orient Point and ending in Laurel**

Yard debris and branches are to be placed together in orderly piles to enable easy removal by the town highway crews. We will not remove stumps, trees or land-cleaning debris. Branches must not exceed a length of 8 feet. If branches are longer, they will be bypassed.

All leaves must be in biodegradable paper leaf bags. Leaves in plastic bags, as well as loose leaves, will be bypassed.

The Southold Town Compost Facility will be accepting residential yard waste FREE from Thursday, April 1st through Friday, April 30th. Anyone participating in this four-week grace period program must have a valid 2021 Southold Town disposal permit **OR** pay the appropriate single entry fee visit.

**RESIDENTS: Be certain you are prepared on Monday, April, 19th.** Once our highway crews have completed a street, they cannot return. Anyone placing debris out after a street has been completed will be subject to an illegal dumping fine.

### **ATTENTION: COMMERCIAL LANDSCAPING COMPANIES**

Commercial landscaping and tree removal companies are no longer permitted to place loads of branches or yard waste debris in the town right-of-way. It will be the responsibility of the homeowner to make certain that their contractor(s) haul(s) such debris to the Cutchogue compost facility.

### **RESIDENTS**

Again, please be certain to prepare for the April 19th start of our town-wide spring cleanup. Any questions pertaining to our cleanup may be directed to the Southold Town Highway Department at (631)765-3140 between the hours of 7 a.m. and 3:30 p.m. Monday through Friday.
